Product Name:

HPE StoreOnce Backup Solution

Product Manufacturer:

HP

Product Description:

Disk Based Backup Solution

(Attach Product Technical Sheets)

Additional Comments:

The cost of the appliance is ideal for the size of the districts trying to update the backup solution

EVALUATION CRITERIA

A. Product Reliability

1. Vendor / Product track record

HP already has other items on the standards list including much larger
backup solutions
and Storage servers

2. Vendor support required

Install and setup one time only.

3. Ease of use

Server just runs and runs wells with existing
backup software used by the district already.

4. Support required by RIC / school district

5. Potential to become "White Elephant"

6. Training requirements

Maybe a quick demo in the interface of the StoreOnce but other than that districts can continue to use the existing Backup software

B. Product-Price / Acquisition

1. Cost effectiveness

This appliance is much cheaper than the competing companies that offer a similar product

2. Acquire via NYS Contract or local bid

NYS Contract

3. Cost of operation and support

The unit costs about \$7000 and that includes installation and 3 year warranty

4. Do any legal or contractual issues exist

C. Product-Relationship to Other Standards

1. Compatibility to existing Standards

Exagrid and Idealstore

2. What other options are available

3. Relationship to previous research and changes since that time

D.

BOCES-Service Needs

1. Define and explain the current need

Steer districts in going with newer technology (disk based backup) and replace the tape bases backup.

2. What existing CoSer and RIC Service does it fall under
Server Backup

3. What is the scope and size of the school population to be served
Many the CA and GST region districts are less than 1000 faculty and students

4. Instructional and/or administrative goal supported
Local Backup solution for servers

5. Results of survey determining school district interest in using this product

Signature of person making request
